

# Mystery Friends Registration Form - 2011

Mystery Friends is in its ninth year at Edmonds. Children and younger youth of our church connect with an adult or older youth and make a new friend in a truly intergenerational experience. Registration will take place at church on Sundays, January 2 and 9. You will be informed of your match.

Mystery Friends exchanges begin on January 23. We will exchange notes, small items, candy and thoughtful tokens of friendship for four Sundays – using the anonymous message center located in the Lifespan RE Foyer.

The fifth week, on February 20, we'll have a breakfast potluck between the services and meet our new friends.

Return this completed form to church in the container on the Lifespan RE Table. The registration deadline is January 9.
