## It Takes the Whole Village ...

Religious education and exploration at EUUC is a joyful, creative, and shared ministry. Through volunteering you benefit from making new friends, deepening your knowledge and understanding of Unitarian Universalism and have fun! The EUUC Religious Education Ministry is a cooperative endeavor. Enrolling your child or youth is understood to be a covenant in partnership, thus as always; **your participation is both expected and appreciated.**

### There are many ways you can contribute:

To serve in direct ministry with children and youth, experienced UU's and those known to the EUUC community are invited to fill out an RE volunteer Application. If you are new to Edmonds UUC and/or Unitarian Universalism, we welcome you complete an RE volunteer application and meet with the DLRE. Together we'll discern the best way for you to contribute to the RE Ministry. **Place a check mark next to the area(s) the adults select in supporting the RE Program. Please consider checking more than one!!**

### Fireflies Volunteer Assistant    AGES 1-YOUNG 4'S                      9:15 \_\_\_\_      11:00 \_\_\_\_

Volunteering in our toddler room will help our child care giver provide our little ones a rich Sunday morning experience. New this year is a UU program designed to engage our youngest ones in simple but fun activities to supplement play time. \*\*A second adult or older teen is needed for each service time to meet our safe congregation guidelines.

### Staffing for Religious Education: Teachers and Class Assistants

*Note: Orientations for teaching teams will be scheduled in late August or early September. Orientation is requisite.*

As a teaching team member, advisor or assistant in one of our Sunday morning classes you will be directly contributing to the growth and nurturing of whole young people. Each class offers age appropriate curriculum as a foundation from which our children are engaged in intellectual learning and spiritual development through social action, community building and the fostering of Unitarian Universalist identity. Training and support are provided by the DLRE and Lifespan RE Committees. Additionally, you will be invited to participate with your class leader peers in a collegial **Small Group Ministry** of support, sharing of best practices and fostering your own growth as a UU and as whole person. Please contact Layne Richard-Hammock, program director, with any questions you may have. [DLRE@euuc.org](mailto:DLRE@euuc.org)
